4. Follow the link in the email to your email address.

5. Fill in the fields of the registration form and click "*Update Profile*".

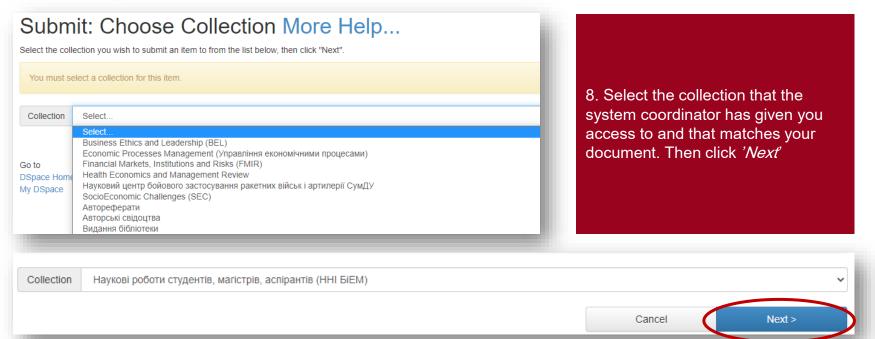

6. Log in to the system. E-mail Address: Enter the email address and password you provided during registration. Password: Log In 7. Add material to the repository - click 'Start a New Submission'. WARNING!!! Before entering your document, make sure that it is not in the repository. ↑ Home Browse Help ♣ i.piltiai@library... • Search in the repository SumDU Repository My DSpace: Інна Пільтяй Help.. Start a New Submission | Siew Accepted Submissions

9. The process of placing the material requires filling in special fields with information (metadata) about the document, as well as attaching a file with a full-text version of the document. The six steps for filling in the fields are displayed in the progress bar at the top of the page.

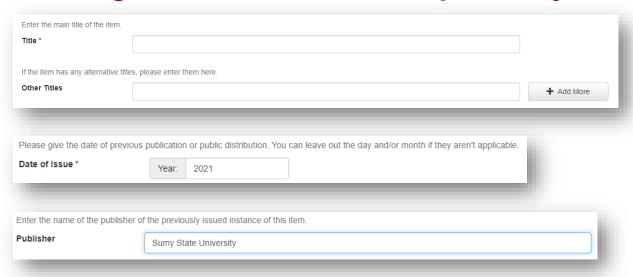

Submit: Describe this Item (More Help...) Please fill in the requested information about this submission below. In most browsers, you can use the tab key to move the cursor to the next input box or button, to save you having to use the mouse each time. Enter the names of the authors of this item. Authors uk Приходько Приходько Приходько Ргукhodko Prykhodko Frykhodko Frykhodko Prykhodko Prykhodko Prykhodko Prykhodko Prykhodko

10. Enter all authors of the publication. Teachers and staff of SSU are already entered in the repository in three languages, just type the first few letters and the system will offer a list. Choose the one you want. Click "Add more" to add fields. All other co-authors are entered only in the language of the publication, and only the surname with initials.

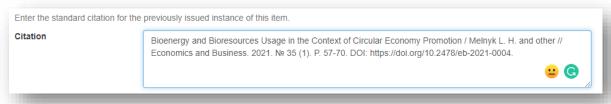

11. Enter the main name of the document. If there are its equivalents in other languages, then enter them in the line "*Other Titles*".

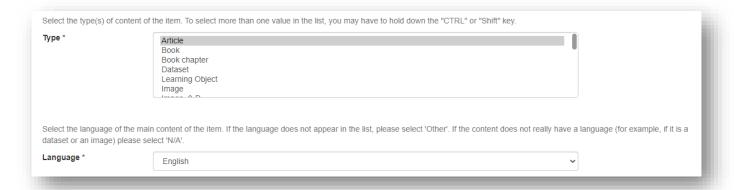

- 12. Enter the year of publication.
- 13. In the line "Publisher" write the name of the publisher where the document was printed (eg: 'Condor', Sumy State University, etc.).

14. Enter a bibliographic description of the publication

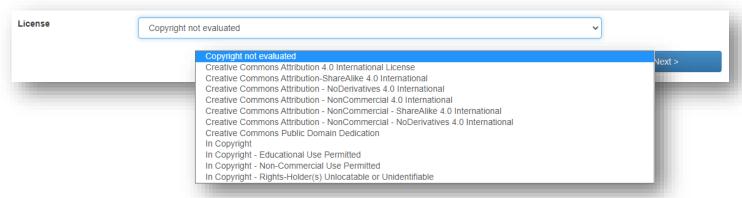

15. Choose the type of document that matches yours. Specify the language of the publication.

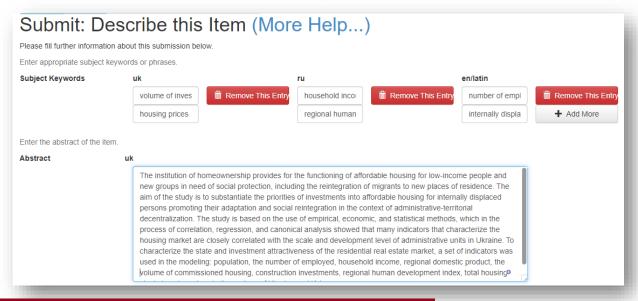

16. Choose the license that matches your document and click *'Next'*.

- 17. Enter each keyword or phrase on a separate line, without commas. Click "Add more" to add rows.
- 18. Add an annotation in the language of the publication. If the document has annotations in different languages, enter all.

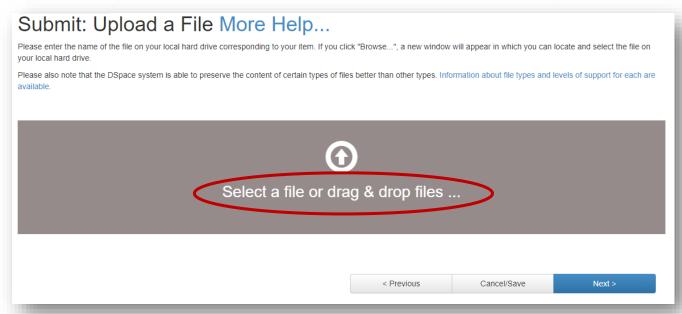

Enter the names of any sponsors	and/or funding codes in the box.

			<i>***</i>	
		< Previous	Cancel/Save	Next >

19. The 'Sponsors' and 'Description' fields are optional. Click 'Next'.

20. The uploaded file must be in PDF format with recognized text. Scanned version is not allowed. If the material does not have footers with source data (conference or journal title, number, volume, year of publication) or title page, you can duplicate a bibliographic description of the work at the end of the document. Click "*Next*".
